Lian Hylden, we sent you a letter 2 weeks ago asking you to pay the amount of \$780.72 because your check had bounced. We have not heard from you and are reminding you that failure to pay is considered stealing. If the money is not given to us in 2 weeks, we will take legal action against you. Please return to the store and pay the money you owe us. Because you had not responded before this letter was sent the bounced check fee has increased.

Sincerely,
Hannah Hagiss
